Intro to A3 Problem Solving Online

A3 Thinking is a versatile tool. It allows its users to align, coach, report, and share. It can be used to create a structure for managing problem-solving, process improvement, and process transformation; any work big or small. Like all Lean tools it provides a structure to learn, gain new skills and apply them to achieve your business’ objectives.

Course Objectives:
Understand A3 Thinking as a structure of learning and managing work

- Understand what an A3 & A3 Thinking is
- Understand the four phases of managing work: Chartering, Planning, Executing & Closing
- Learn how to write & recognize a good A3
- Relate A3 Thinking to the current state of your organization

Who Should Attend:
- Anyone involved with leading improvement efforts
- Anyone involved with coaching/mentoring others who will lead improvement efforts
