

Kaizen Rapid Improvement

Online

Offered as part of the Online Lean Practitioner Certification

Your instructor:

Sam Wagner has led continuous improvement, quality, and manufacturing teams in the Aerospace, Construction, and Plastics industries for more than 35 years. With a BS degree in Engineering Management and an MBA, he has coached several companies to successfully apply Toyota Kata, TWI and Lean projects. He is a practitioner of creating Lean culture by using leaders standard work, visual management, tiered management systems, and leadership discipline. Sam is a frequent presenter of best practices at both local and international conferences.

Do you need productivity and cost improvements NOW? This workshop will provide the education and experience that is necessary for you to deploy rapid improvement teams at work. Participants will see how to accomplish more in less time than most teams take to agree on what they should be doing.

Tools and Topics Learned Include:

- Learn to measure what is important
- Gather the necessary resources, decide who does what
- Set and accomplish a one-week schedule for project completion.

Wednesday, May 4, 2022 8:00 a.m. - 12:00 p.m.

Fee: **MA members** \$295 per person **Non-MA members** \$395 per person
Receive a 10% discount if you register 14 days prior to the event
