

Maximizing Team Performance Online

Build and Foster Successful Work Teams

Offered as part of the Supervision Fundamentals Certification

Your instructor:

Jim Doyle blends his diverse knowledge, 25 years of experience and a deep passion for helping others to grow and achieve their goals. His corporate coaching and leadership development skills were refined inside manufacturing organizations including Cargill, Prime Therapeutics and St. Jude Medical. Jim's diverse experience helps manufacturing organizations large and small, build leadership and supervisory competence with the skills to improve execution.

Participants will learn both what gets in the way of teamwork, and what fosters teamwork. Exercises demonstrate how to align people around common goals, and clarify roles among team members. Participants learn how to build an environment that fosters creativity from all team members. Tools are provided for soliciting feedback from their teams on how well they are performing, and each student is encouraged to create an Action Plan for improvement.

After completing this Workshop participants should be able to:

- Assess the effectiveness of a work team and have ideas for improvement
- Utilize shared goals to encourage teamwork
- Clarify team roles and responsibilities and foster effective communications
- Use shared rewards and recognition to promote and reinforce teamwork
- Know when to involve others in decisions that impact the team
- Foster productive interpersonal relations among work team members
